

Innomatik joins German AI Association

Bensheim, August 31, 2023 – Innomatik, a leading consulting firm in the field of artificial intelligence (AI) based in Bensheim, Germany, is pleased to announce its membership in the German AI Association. This strategic partnership underlines Innomatik's increased commitment to making Europe and Germany attractive for AI companies. Membership in the German AI Association offers Innomatik the opportunity to deepen its knowledge and exchange ideas with other leading companies.

"We are delighted to join the German AI Association and to share and further develop our expertise in the field of artificial intelligence with other companies," says Dr. Peter Merkel, CEO of Innomatik. "Now we have the opportunity to help shape tomorrow's AI with the brightest minds – an AI that is in line with our values and those of the German AI Association. At the same time, we are determined to make Europe and Germany attractive locations for AI investments through our projects."
